

INTEGRATED MANAGEMENT SYSTEM POLICY

We provide the talent and commitment of our members to achieve:

CUSTOMERS SATISFACTION

We meet their expectations with the confidence of our ability to respond to the challenges of new markets.

QUALITY PRODUCTS AND PROCESSES BASED ON CONTINUOUS IMPROVEMENT

We work as a team day by day to be more competitive and efficient, with a responsible attitude, focusing on "things well done", and aware of the need to continuously implement improvements in our processes.

BENEFIT OF OUR SHAREHOLDERS

We and our suppliers provide our capability to achieve results and ensure the sustainability of the company, following the rules and legal compliance.

SAFETY, DEVELOPMENT AND HEALTH OF OUR COLLABORATORS

We aim to be a company where everyone wants to work, detecting risks that threaten the integrity of our workers and/or material resources, promoting the active participation of all the stakeholders.

ENVIRONMENTAL PROTECTION

We are committed to protecting the environment and preventing pollution, emphasizing sensitization and awareness from our staff and other stakeholders.

Engineer Diego Aramendía
General Manager
